

# PROMOTING EDUCATION THROUGH SPORTS

CALIFORNIA SPORTS HALL OF FAME  
PARTNERSHIP LEVELS

## MISSION STATEMENT

CALIFORNIA SPORTS HALL OF FAME was founded by Christian Okoye, former all-pro running back for the Kansas City Chiefs. With support from some of the biggest names in sports from the state of California; this influential organization was formed to honor our sports heroes, support struggling athletes, highlight California Sports history and more importantly; promote education through sports.

The primary mission of the California Sports Hall Of Fame is to capture the passion children and young adults have for sports, and direct that energy to enhance their educational and personal goals. Through the organization's efforts and resources, the California Sports Hall of Fame support and promote education and sports among children and young men and women throughout the state of California. Including scholarships to CIF athletes.

CSHOF draw at-risk and underprivileged youth by hosting free athletic clinics, where well-known professional athletes donate their time to coach the kids. Once at the CSHOF's events, the kids are given unparalleled training in sports and are encouraged to further develop their education. The CSHOF's decision to use athletics as a vehicle for exposing the kids to education, gave rise to its motto, "Sports and Education." Through clinics and mentorship, the CSHOF hopes to foster a goal-setting spirit in each child.

The California Sports Hall Of Fame's events offer these student athletes the opportunity to develop and refine the essential skills in their respective areas of interest. Each event CSHOF hosts offer a structured, well-supervised atmosphere where children, young men and women are led through sessions of mentoring, drills, demonstrations and discussions on all aspects of sports. CSHOF also stress the importance of sportsmanship and a positive attitude in sports and in life. The goal of the CSHOF is that every student participant will leave each event with established Goals, as a better athlete and, more importantly, a better person.
